Highlights

- Do you want to live in a beautiful house and make some money while you're at it? Here's your chance!
- 2 houses and an olive orchard!
- Main house is a spacious 3 bed / 3 bath with an office that could be a 4th bedroom. Built in 1996. 2233 sqft.
- Main house has a large, solar heated pool. There is also a hot tub to relax in!
- There is a second house on the property located on the other side of the orchard.
- The second house is an older 3 bed 1 bath home that is currently rented out.
- The mature producing olive trees are sevellano and manzanilla variety. Solid set irrigation.
- Make an appointment today for your private tour. This is a great property!
